MEMORANDUM FOR: Ed Proctor, ADDI

SUBJECT : Proposal that the FBIS Daily Reports, Soviet Union and Eastern Europe, be Provided the Russian Research Center at Harvard University

STAT 1. [] discovered, much to his surprise and mine, that neither the Russian Research Center at Harvard nor any of the Soviet scholars associated with the Center receives the FBIS Daily Reports on the USSR and Eastern Europe. In contrast, six individuals at the comparable center at Columbia receive the Daily Reports. There is no doubt but what it would be in the interest of the U.S. government and the Agency for the group of top-flight Soviet scholars at Harvard to have access to the Daily Reports on the Soviet Union and Eastern Europe, and I recommend that the Russian Research Center be added to the mailing list.

STAT 2. [] has discussed the handling of the Daily Reports with Mrs. Gardos, the Center librarian. Attached is a letter from her stating her understanding of the ground rules and her willingness to act as custodian.
